VACCINE POLICY

- We at Viera Pediatrics firmly believe in the effectiveness of vaccines to prevent serious illness and to save lives.
- We firmly believe in the safety of our vaccines.
- We firmly believe that all children and young adults should receive all of the recommended vaccines according to the schedule published by the Centers for Disease Control and the American Academy of Pediatrics.
- We firmly believe that vaccinating children and young adults may be the single most important health-promoting intervention we perform as health care providers, and that you can perform as parents/caregivers. The recommended vaccines and their schedule given are the results of years and years of scientific study and data gathering on millions of children by thousands of our brightest scientists and physicians. It is our belief that by not vaccinating your child, you are putting them at unnecessary risk for life-threatening illness, disability or even death.

Please be advised that refusing, delaying, or breaking up vaccines to give one or two at a time goes against expert recommendation as well as our medical advice as providers at Viera Pediatrics.

If you decide not to continue to vaccinate your child, we request that you seek another provider who shares your views.

VACCINE ADMINISTRATION CONSENT FORM

By signing below, I authorize Viera Pediatrics to administer immunizations as recommended by the American Academy of Pediatrics and CDC to my child.

NO SHOW/MISSED APPOINTMENT POLICY

We at Viera Pediatrics understand that sometimes you need to cancel or reschedule your appointment. If you are unable to keep your appointment, please call us as soon as possible (at least 24 hours in advance). To ensure that each patient is given the proper amount of time allotted for their visit and to provide the highest quality care, it is very important for each scheduled patient to attend their visit on time. As a courtesy, an appointment reminder call and text message are made/sent one business day prior to your scheduled appointment. It is the responsibility of the patient to arrive for their appointment on time.

PLEASE REVIEW THE FOLLOWING:

1. Please cancel your appointment with at least 24 hours' notice. There is a waiting list to see the providers at Viera Pediatrics and whenever possible, we like to fill cancelled spaces to shorten the waiting period for our patients.
2. If less than 24-hour cancellation is given the appointment will be documented as a "No Show" appointment.
3. If you do not present to the office for your appointment, it will be documented as a "No Show" appointment.
4. After the first "No Show" appointment, you will receive a phone call or letter warning that you have broken our "No Show" policy. Viera Pediatrics will assist you to reschedule this appointment if needed.
5. If you have two "No Show" appointments within a one-year time period, you will receive a warning letter from our office and will be assessed a $25 no show fee.
6. If you have three "No Show" appointments within a one-year time period, you will receive a second $25 no show fee assessment. Dismissal from the practice will be considered.

I have read and understand the Viera Pediatrics No Show/Missed Appointment Policy and understand my responsibility to plan appointments accordingly and notify Viera Pediatrics appropriately if I have difficulty keeping my scheduled appointments.
